THE AUTHOR'S guide PROJECT

helping you write & publish your book

> The Author's Guide Project is an initiative to help you write and publish your book. This initiative seeks to support you embark on your writing journey.

PHASE 1: Idea to publishing

At this phase, I will walk you through the whole authorship process which inlcudes:

- **Title generation**
- **Chapter development**
- **Content Build up**
- **Proof reading**
- **Draft printing**
- **Typsetting**
- **Book Cover design**
- **Book registration (ISBN) etc.**

PHASE 2: Final Publishing (printing)

This phases covers the actual printing of the book. At this phase, I will support you to get a publisher with cost effective printing package.

PHASE 3: Auxiliary

At this, I provide additional support to augment your writing process.

- **Website design**
- **Adobe indesign tutorials (Basic)**
- **Photoshop tutorials (Basic)**

Mode

A varied mode of implementation shall be adopted to ensure there is no barrier to the writing process.

- **Online**
- **Phone call**
- **Face to face**
